Topic: YPG

Lesson Title: Planning a school zone for development

Rationale:

For pupils to use the data collected from last lesson (around school) and to develop team work skills. Pupils will come up with a design to solve the problem zone identified to put this into a real life context.

Objectives	
<p>Knowledge + Understanding</p> <p>All- come up with an idea for developing the school zone</p> <p>Most- will understand and determine ways in which to break down social barriers</p> <p>Some- will understand how youth culture influences consumption of space</p>	<p>Skills</p> <p>ICT</p> <p>Presentation</p> <p>Team work</p> <p>Creative thinking</p> <p>Design</p> <p>Problem solving</p> <p>Analysis</p> <p>Evaluation</p> <p>Communication</p>

Differentiation Strategy
<p>G+T:</p> <p>SEN:</p> <p>VAK:</p>

Prep and Resources	Homework
<p>Access to ICT and library/extra desk space for design</p>	

Starter Activity

Time	Pupil Activity	Teacher Activity
<p>10 mins max.</p>	<p>Listen to and recap the zones for development and expectations</p>	<p>Recap the area chosen for development and reasons why using team sheets from last lesson</p> <p>Run through the list of criteria for pupils to develop their zones on computer (to be handed in by end of lesson)</p> <ul style="list-style-type: none"> • General description of the area now • What is wrong with the area as it is? • What improvements need to be made? • What sustainable development could be put in place? • Who will the area benefit? • Potential costs/materials? • Model/design of the new area

Main Teaching Activity

Time	Pupil Activity	Teacher Activity
50 mins	Pupils get into groups and determine roles to share work equally.	Put pupils into groups of 4/5 max. Allow pupils to split up the work between them (each member needs to be assigned a role e.g. Designer, budgeter or a question to answer) Circulate groups to help Remind pupils of time (after 40 mins) and push for all groups to be completed by the end of lesson.
